What are we?

Quite simply we are a registered acting agency that has been running for some 24 yrs. We have created this web site as a forward thinking extension of that agency to improve our efficiency and ensure we find the right person for the right part! We take commission on work we find actors as per industry practice and there are **NO** charges to join or belong to this agency.

Information on Joining

Please read all the information as it ensure your application is approved.

Before you Apply to join please read **ALL** of this first as it will avoid disappointment later.

ADULTS - WE ARE CURRENTLY **ONLY** ACCEPTING APPLICATIONS FROM THE NORTH OF ENGLAND - Lancashire, Yorkshire, North East, **APPLICATIONS FROM ALL OTHER AREAS WILL NOT BE ACCEPTED AT PRESENT.**

CHILDREN 15 years and below - WE ARE STILL OPEN TO APPLICATIONS FROM ALL AREAS.

Once you have filled in your **ONLINE CV** you are automatically put into a waiting area where your CV and photo will be approved or not, normally within 10 working days but at times this may be longer. If you haven't heard from us in 28 days you may assume your application has been rejected, if this happens your logon will **ALSO** be disabled.

If we accept you we will send you an e-mail confirming you have been accepted into the agency. Please note we are only currently taking approximately 10% of applicants on. The main reasons for rejection are normally that your application has not been filled in properly or more often completely. Or you do not have the experience and or attitude that we are looking for.

Your application

All applications are looked at and taken seriously. PLEASE be patient as we get many hundreds of applications and will get to you eventually.

We **WILL** automatically reject your application with **NO** notification if you have not as a minimum done **ALL** of the following:

1. Uploaded a reasonable photograph
2. Given us a contact mobile and landline telephone number
3. Provided an address or location details.
4. Provided details of your experience.

Why are these details important?

Information on Joining

in your address details in the correct box's or you won't be selected.

Accents play a very important part in drama's so if they want a woman with a Yorkshire accent they will search in the Yorkshire areas and not in London.

Your day to day accent is therefore very important part of the CV and most people do not fill this column in, once again if you don't you will miss out.

Also if we don't have your correct address how are we going to send your cheques to you?

The audition Process and how it works

We the agency will select your CV to be put forward to casting directors/production companies **ONLY!**

Once you have been selected by the agency but **BEFORE** your CV has been submitted to the casting directors/production companies we have to rapidly find out if you're available for a possible audition and if you are successful; available for the filming dates. This is when we have to contact you *(the most difficult procedure in the auditioning process)* because seven times out of ten we cannot get hold of people quickly enough therefore they miss the opportunity. We currently send the following **INITIAL** email to you

We have received a casting that we would like to put you forward for. Please confirm that you would like us to put you forward ASAP and that you are available for the next 21 days. You can do this by going to your online page - looking in your "My workspace" and clicking Pre-Audition - then please click either the Interested or Not Interested buttons. You can monitor your progress in your "My workspace" by clicking on the various sections to see how far you have progressed. **PLEASE DO NOT REPLY TO THIS EMAIL AS IT IS NOT ABLE TO RECEIVE EMAILS! ANY INFORMATION YOU NEED WILL BE IN YOUR WORKSPACE!**

Please NOTE after you have clicked the interested button the casting will disappear from your my workspace and will **ONLY** reappear if you have been accepted for audition!

Eventually as an agent we get to know the people we are able to contact easily. So if you want to be selected make sure we can get hold of you **AT VERY SHORT NOTICE!**

We get really annoyed with people who cannot drop everything at short notice for an audition so when applying please take this on board because when you let us down you are **ALSO** letting the reputation of the agency down. We may then decide we no longer wish to keep you on the books!

Please do not apply if you are not going to be available at short notice. It's a hard business to get into and Casting directors expect you to put them first! If you don't others will.

Once we have contacted you and you have confirmed you are available you will get a venue and time for your audition. Your audition often takes place the following day for commercials and adverts as they have to be cast really quickly. For dramas and films you can expect to be auditioned the following week or within a few days. For plays and theatre the audition process can be longer taking up to a couple of weeks to a month.

ADULTS - WE ARE CURRENTLY **ONLY** ACCEPTING APPLICATIONS FROM THE NORTH OF ENGLAND - Lancashire, Yorkshire, North East, **APPLICATIONS FROM ALL OTHER AREAS WILL NOT BE ACCEPTED AT PRESENT.**

CHILDREN 15 years and below - WE ARE STILL OPEN TO APPLICATIONS FROM ALL AREAS.

When we have an audition we think you might be interested in we will email you. But given the various issues with SPAM our emails can get delayed or stuck in SPAM systems. Because of this we advise you to check by clicking the Pre-Audition button from time to time. If there is something it will appear.

Pre-Audition

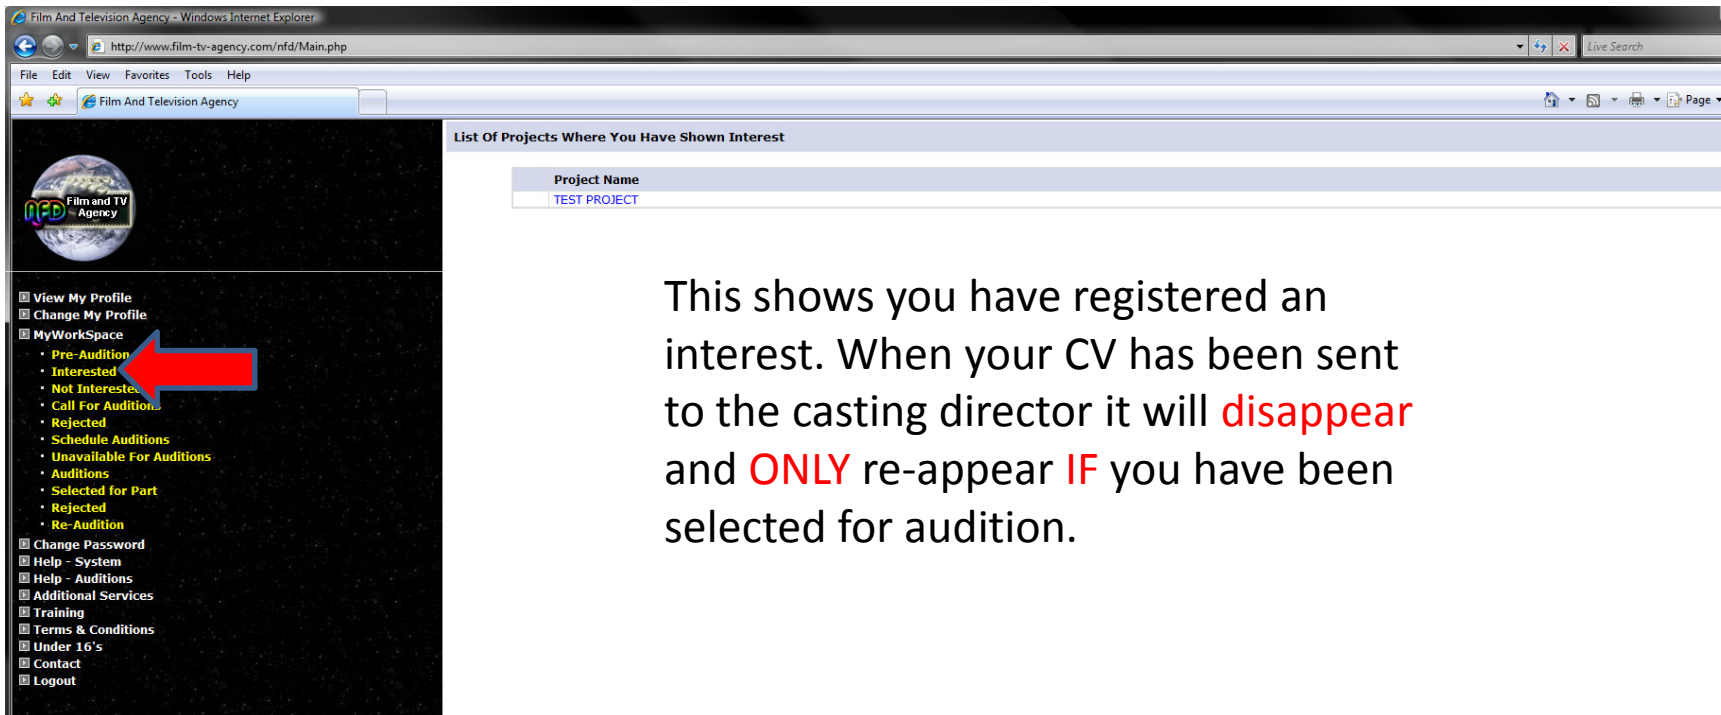

At this stage we are **ONLY** asking if you are available to audition shortly and that you are happy for us to submit your **CV**.

IT DOES NOT mean you **WILL** get an audition!

If you have any doubts about availability at all please use the **Not interested!**

Confirmation at this stage should be YES unless there is a very serious problem. If you do select NO it will be a mark against you for future auditions! But no where near as bad as if you just don't turn up.
